Date: May 19, 2021

### COMMUNIQUE

The Armenian Patriarchate of Jerusalem strictly condemns the attack on Very Reverend Father Arbag Sarukhanyan by young Jews in the middle of the night, when Fr. Arbag was heading to the Holy Sepulchre Church.

Due to the attack, Fr. Arbag was inflicted with injuries and was taken to hospital for medical treatment and, then, was released.

Three of the attackers were arrested. The Armenian Patriarchate complained to the Police for this rude attack and demanded fair investigation for punishment to the guilty, in order to avoid such incidents from occurring in the future.
